Welcome to the Thirty-fifth Annual Illinois Conference for Pupil Transportation. The Conference is hosted by the Illinois Association for Pupil Transportation (IAPT). We are **very excited** about holding our Conference in East Peoria, Illinois. The Embassy Suites and Riverfront Conference Center are both excellent venues for the Conference and the Trade Show allowing lots of room for buses to be displayed inside. The Illinois Conference for Pupil Transportation is a two day event which brings together many members of the school bus industry in Illinois. Besides the Conference activities, the week includes Mechanics' Workshops, the IL Best Bus Technician Competition and the IL School Bus Safety Rodeo.

The vendors who display at our trade show are a key element in making the conference a rewarding experience. We thank you for investing your time and resources in this conference and throughout the year. Your participation in our conference strengthens the pupil transportation industry in Illinois.

For those who exhibit, our attendees look to you as a resource for the newest products and services. We are again offering **free** admission to those individuals who want to attend the vendor show. We believe this will bring more people into the exhibit hall and expand the exhibitor contacts. To maximize your exposure at the conference, we will be serving a buffet-style lunch included with your registration next to the exhibit hall to encourage traffic flow as well as holding prize drawings at the end of the trade show. Participants must be present to win.

The last ten years our Vendor Show has exceeded our expectations. With your participation, this event will be the biggest and best IAPT Conference in our 36 years. We hope you will join us in making Illinois a leader in school bus transportation.

Sincerely,

Mike Reinders
President
IAPT

Recognition

The conference program will include all vendors participating in the trade show. The program will include identification of each booth location. In order to ensure that you will be listed in the conference program, your registration must be received by **June 1, 2019**.

Vendors will be provided an electronic file for conference and mechanics' workshop attendees following the conference upon request.

Event Sponsorship

Please consider sponsorship of an event. We try extremely hard to provide interesting and informative presentations at our conference. These presentations are sometimes extremely costly. We also make a large effort to keep our Conference Registration fee reasonable allowing people to attend.

We will be very happy to not only recognize vendors who sponsor events with signage, we will also give those who commit to sponsorship the opportunity to address the conference attendees during the regular conference schedule.

Please don't feel that you must sponsor an entire event. We will be grateful for any contribution you would like to make.

Any vendor wishing to sponsor a dinner, keynote speaker, coffee/soda break, lunch, or other event will be recognized in the conference program along with a recognition sign at the event and the opportunity to address conference attendees.

If you would like to sponsor an event, please contact Barb Rizzo by June 1, 2019. 708-651-3124 email@ilapt.net
