Welcome to the Annual Illinois Pupil Transportation Conference. The Conference is hosted by the Illinois Association for Pupil Transportation (IAPT), and this year is even more special as we celebrate our 50th year as an organization dedicated to the safe transportation of students. We are **very excited** about holding our Annual Conference in Springfield, Illinois. The Crowne Plaza Convention Center is an excellent venue for both the Conference and the Trade Show allowing ample space for buses to be displayed inside, as well as space for all of the vendors to interact with the many conference attendees. The Illinois Conference for Pupil Transportation is a three day event which brings together many members of the school bus industry in Illinois. In addition to the traditional Conference and Trade Show, we are planning mechanic workshops and driver rodeo, which should drive trade show attendance.

The vendors that display at our trade show are a key element in making the conference a rewarding experience. We thank you for investing your time and resources in this conference and throughout the year. Your participation in our conference strengthens the pupil transportation industry in Illinois. This allows our members to continue to lead the way in safely transporting our most precious cargo.

For those who exhibit, our attendees look to you as a resource for the newest products and services. We are again offering **free** admission to those individuals who want to attend the vendor show. We believe this will bring more people into the exhibit hall and expand the exhibitor contacts. To maximize your exposure at the conference, we will be serving a buffet-style lunch (included with your registration) next to the exhibit hall to encourage traffic flow as well as holding prize drawings at the end of the trade show. In addition, we have exciting new sponsorship opportunities for you as an additional manner of gaining exposure for your business.

The last ten years our Vendor Show has exceeded our expectations. With your participation, this event will be the biggest and best IAPT Conference in our 50 years as an organization.. We hope you will join us in making Illinois a leader in school bus transportation.

Sincerely,

David Richards
